

Ahmed Abdallah Adam Mohamed

Climate Data analyst and Remote Sensing Proficient

Mizoram, Aizawl, India | ahmed.abdallah.adam94@gmail.com |

Summary

I am an experienced Environmental Data Analyst, Remote sensing (RS) & GIS Specialist, with a deep focus on applications of RS & GIS in various Environmental aspects. I possess advanced skills in using Google Earth Engine, Python, ArcMap /pro, QGIS, and Machine learning to conduct data analysis and make climate and LULC models across different time scales. I have done analysis for projects work, viz; bamboo mapping, Environmental carrying capacity as well as now I am working on wetlands mapping in the Eastern Himalayas (Arunachal Pradesh, India) region. Also, I am dedicated to contributing to the understanding of dynamics LULC and population expansion, spatially in the era of huge urbanization, and developing predictive models, that can serve sustainable development.

PROFESSIONAL EXPERIENCE

Executive Officer Member | National Service | Nov 2019 – Nov 2020

- Preparation of quarterly and annual report.
- Managed supply chain operations.
- Collaborated with cross-communities for executing local developmental projects.

EDUCATION

M.Sc. in Ecology and Environment Studies | Nalanda University, India | 2021 – 2023

High Diploma in General Translation | Bahri University, Sudan | 2020 – 2021

B.Sc. in Natural Resource and Environmental Studies | Bahri University, Sudan | Dec 2013 – July 2018

KEY SKILLS

- **Geospatial Tools:** ArcMap, ERDAS IMAGINE, QGIS, TerrseT, Google Earth Engine API,
- **Data Analytics:** SPSS, Origin, CDO, Python, and Java through Google Earth Engine
- **Environmental Modeling:** Open LCA Software, Invest, SWAT
- **Software Proficiency:** Microsoft Office Suite (Word, Excel, PowerPoint)
- **Language Skills:** Arabic (Native), English (Proficient)
- **Communication & Leadership:** Excellent communication, team collaboration,

CERTIFICATIONS & TRAINING

- End-to-End Google Earth Engine
- COMPLETE google earth engine for RS & GIS training for beginner to advance level
- Project Management Professional (PMP)
- Risk Assessment and Accident Investigation
- Supply Chain Management
- Occupational Health and Safety
- NGOs Project Design, Coordination, Monitoring, and Evaluation
- Human Resource Management

CONFERENCE PRESENTATIONS

- 19-20th June-2024 “National conference on Sustainable Solutions: Navigating Climate Change and Natural Resource” by Department of Environmental Science, School of Earth Science and Natural Resource Management (SES & NRM), Mizoram University, India.
- 13-15th March, 2024, International Conference on “Climate change and Natural Resource Management for Sustainable Development” (ICNS-2024) hosted by School of Earth and Science & Natural Resource Management, Mizoram University”
- First Annual International conference on Social Science. Theme: Social Science in the Contemporary World: The way Forward 8-10 November, 2023

PROFESSIONAL MEMBERSHIPS

- Sudanese Environment Conservation Society
- MZU Eco Club

Scholarships & Awards

Offer of provisional admission with award of ICCR scholarship for year 2021-22 M.SC degree
Academic Excellence award
